

ADULT TEAMS

ADULT TEAM SUMMARY

Adult-aged teams at AEU are designed for skaters of all skill and experience levels, ages 18-60+. These teams are a space for adult skaters to build their technical skills, make new social connections, and showcase their love of skating through performance. Adult skating at AEU is designed to accommodate both competitive and recreational skaters, either those continual adult skaters, adults newer to skating, or childhood skaters returning to the ice or transitioning into adult skating.
